Legal and Social Care Professionals,
Educators, Parishes, NGOs, Media,
Celebrities & significant others
invited to the

2021 PARENTAL ALIENATION AWARENESS CAMPAIGN

Happy Parenting – Malta (For Happier Children) has sent 2525 directed email invitations, requesting participation in the 2021 Parental Alienation awareness campaign.

A lot has happened since the 2020 "Black Christmas" edition of the Parental Alienation awareness campaign. Earlier this year, April 17th, we hosted Malta's First International Expert Seminar on Parental Alienation. The Maltese Family Court started ordering change of residence in cases where parental alienation needs addressing. Our voluntary organisation has been attracting both more volunteers and members in need of support.

For the 2021 PA awareness campaign, we have expanded the invitation list to include all parishes, all local councils and all NGOs, in Malta and Gozo. Upholding the belief that «Children Need Both Parents», we work to ensure all get to know about what lies behind Parental Alienation, and the controversies in Malta and abroad.

In the coming weeks, we keep you up to date with the progress about participation. Our members, and the public in general, can sign up for recordings in councils and parishes, or join us on an NGO or celebrity video shoot.

Support the alleviation of Parental Alienation - by supporting our voluntary organisation operation: find donation details on our website. Visit HappyParentingMalta.com/aware2021 to follow up the awareness campaign about Parental Alienation on social media.

Kampanja 2021 ta’ Għarfien dwar PARENTAL ALIENATION

Happy Parenting - Malta *(for Happier Children)* bagħtet 2525 stedina diretta bl-imejl għall-parteċipazzjoni fil-Kampanja 2021 ta' Għarfien dwar Parental Alienation.

Sar ħafna xogħol mill-edizzjoni tal-Kampanja għall-għarfien li tnediet is-sena l-oħra bl-isem *Swied ta' qalb fiż-żmen il-Milied*. Aktar kmieni dis-sena, fis-17 t'April, tellajna l-ewwel Seminar ta' Esperti Internazzjonali dwar Parental Alienation. Il-Qorti tal-Familja bdiet tordna bdil ta' residenza fejn kien meħtieġ f'każijiet ta' parental alienation. Kulma jmur qed jingħaqdu magħna aktar voluntiera, u aktar membri li jeħtieġu appoġġ.

Għall-Kampanja ta' din is-sena, 2021, wessajna l-istedina tagħna biex tilħaq aktar entitajiet. Fost dawn għandna l-parroċċi, il-Kunsilli Lokali u l-għaqdiet voluntarji kollha f'Malta u f'Għawdex. Bi twemmin sod fil-kunċett li ***t-tfal għandhom bżonn liż-żewġ ġenituri*** aħna nistinkaw biex nuru x'jista' jkun hemm moħbi b'mod sottili f'sitwazzjonijiet ta' Parental Alienation, u l-kontroversji li hemm dwar dan il-fenomenu li jeżisti fid-dinja kollha.

Fil-ġimgħat li ġejjin se nżommukom aġġornati dwar kif tistgħu tieħdu sehem. Il-membri tagħna, kif ukoll il-pubbliku in ġenerali, jistgħu jingħaqdu magħna f'attivitajiet fil-Kunsilli u fil-parroċċi, jew tingħaqdu direttament mal-NGO tagħna waqt filmati flimkien ma' persuni magħrufa.

Inħeġġukom tgħinu biex intaffu l-pjaga tal-Parental Alienation billi tagħtuna l-appoġġ fil-ħidma volontarja tagħna.

Għal dettalji dwar kif tistgħu toffru donazzjoni, żuru l-websajt tagħna. Żuru wkoll din il-websajt fuq HappyParentingMalta.com/aware2021 biex issegwu l-kampanja ta' għarfien dwar Parental Alienation li se ssir fuq il-midja soċjali.
